The Affect on children at the State Parks

Inks Lake State Park welcomed 254,000 visitors in 2024. If 50% were children and they stayed a minimum of 3 hours that results in 750,000 hours of exposure. The equivalent of another elementary school full of children.

Longhorn Cavern State Park welcomed 77,100 visitors in 2024. If 50% were children and stayed a minimum of 3 hours that results in almost 100,000 hours of exposure.
