Dear Ms. Gharis:

In gratitude for the work that the Texas Commission on Environmental Quality does to protect Texas' natural resources, we write you today to request a public meeting regarding a proposed rock crushing plant in Burnet County, TCEQ Region 11.

A public meeting would allow Burnet County residents opportunity to learn more about this application, make inquiries, and provide comments for the record. Although the below application was received by TCEQ on July 3rd, and the Technical Review marked complete on August 20th, and local residents have already filed 265 comments, reflecting a high level of concern about this project.

The meeting request is for the following project:

- "Burnet Crushing Plant" TCEQ application permit number: 176835. Applicant is Asphalt Inc., LLC, whose TCEQ Customer Number is 604722728.

We respectfully request that this public meeting be held in Burnet County, with suitable notice to local residents and stakeholders.

Please don't hesitate to contact us for any questions or concerns. On behalf of the residents of Burnet County, we thank you for your consideration.

Sincerely,
